TODAY'S PROGRAM

Today's speaker was our International Youth Exchange Student, Luiza Casimiro, who is from Brazil. She has been here since August and is enrolled at Wilson Hall. Luiza said she signed up for the program at age 13 and began filling out the application at age 15. She found out in June of last year that she was admitted to the program and that she would travel to the United States. Luiza learned that her destination was South Carolina one month before she came.

When Luiza left Brazil last year she was in the middle of her last year of high school, when she returns home she will have graduated. She has thoroughly enjoyed her experiences at Wilson Hall and is very grateful to Sumter Rotary Club for allowing her to have this opportunity. Luiza said the largest difference between Brazil and here is school. She said in Brazil they don't choose their classes. They take the same courses every year and high school is 3 years instead of 4 years.

Luiza feels that Wilson Hall is the best thing that has ever happened to her. She is so thankful she is here and said that the girl who came here in August would not have been able to stand before us and talk. Thanks to Rotary and Wilson Hall she is a different person.

Great job Luiza and we are happy you came to Sumter.
